

WORLD TEAM TENNIS LEAGUE BEGINNING TO FORM

KICK OFF DATE IS:

TUESDAY MAY 31, 2016

6:30 P.M.

Mt. Logan Middle School Courts

What is World Team Tennis and What is the Cost?

It is a mixed gender, mixed level league. Each team consists of at least 2 men and 2 women each time they play against another team. The level for this league will be 3.5 , 4.0, and 4.5 levels. 3.0 players are invited to try it. The cost will be free.

This first year we will form the teams each individual Tuesday night and use the WTT format. We hope to generate enough interest this summer, that next summer we can form actual teams at the beginning of the summer that will stay consistent throughout the summer. It will happen every Tuesday night throughout the summer. The only Tuesday we will not play will be when the CVTA holds their tournaments.

June 7th and 14th play will suspend (DUO Summer Challenge)

July 26th and Aug 2nd play will suspend (Herald Journal Tournament)

Only 2 courts are needed for two teams to play each other. The first court will be one men's singles player from one team who plays the other men's singles player from the other team. Only one set is played, no-ad scoring. At any time during the set, one of the other men on their team can sub in to finish off the set. To add more to the excitement... we play let serves and start the tie break at 5-all. The second court will be one women's singles match at the same time with the same rules as above. After the singles are complete, we play men's doubles on one court and women's doubles on the other court. Any extra players may sub in at any time during the set. The last round is two courts of mixed doubles with the same subbing rules applied.
